Kids 10-18 \$10 with a paid adult

COURSE DESCRIPTION

Plein Air means painting on location. This 2 hour course will be geared towards the beginner who may have never painted with watercolor before but any level of painter is welcome. Children 10 and up are able to attend class with parent participation. This class will cover how to choose what to paint from the overall view, basic techniques such as painting with washes, applying and lifting paint, spatter, and detail work. When you're done, you go home with a work of art painted by you! This will be a fun class for anyone interested in trying their hand at watercolor painting! Laughter and fun encouraged as you paint!

Supplies:

Paint and paper will be provided. When you register for class a detailed list of supplies will be given to you.
